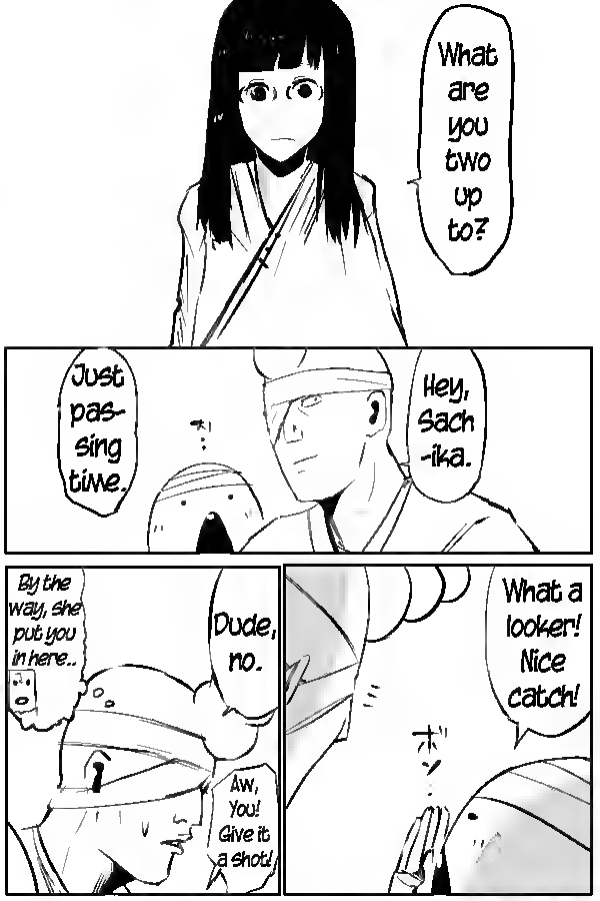
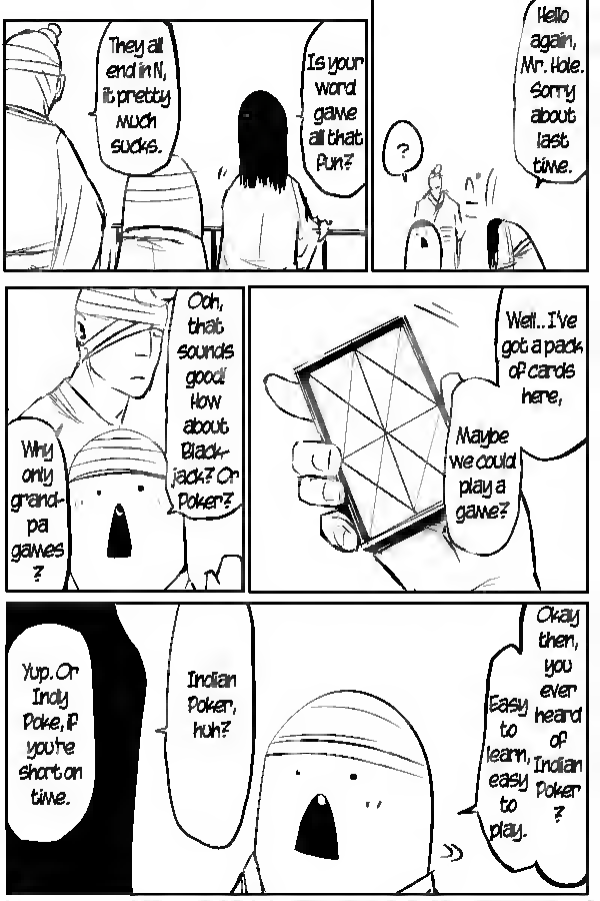
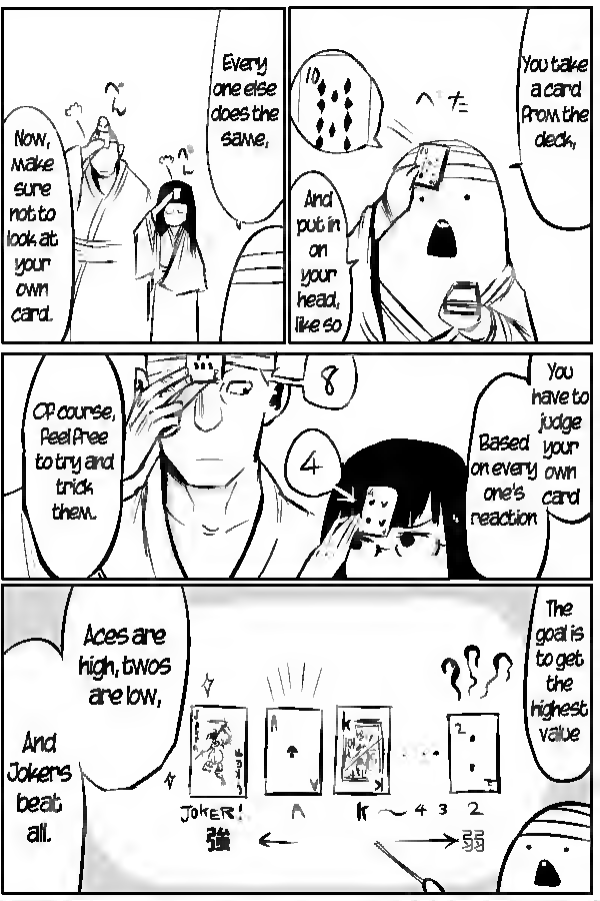
Is it just me, or are hospitals fucking boring
They're pretty boring.
Wanna do a monster word game?
Sure, the usual rules.
Okay, I'll go.
"Rotor-Man"
Ends in N, you lose.



What are you two up to?
Hey, Sach-ika.
Just pas-sing time.
By the way, she put you in here...
Dude, no.
Aw, You! Give it a shot!
What a looker! Nice catch!
ボン



They all end in N, it's pretty much sucks.
Is your word game all that fun?
Hello again, Mr. Hole. Sorry about last time.
?
Ooh, that sounds good! How about Black-jack? Or Poker?
Why only grand-pa games?
Well.. I've got a pack of cards here,
Maybe we could play a game?
Yup. Or Indy Poke, if you're short on time.
Indian Poker, huh?
Okay then, you ever heard of Indian Poker?
Easy to learn, easy to play.



Every one else does the same,
Now, make sure not to look at your own card.
10
You take a card from the deck,
And put it on your head, like so
8
4
Based on every one's reaction
You have to judge your own card
Of course, Feel free to try and trick them.
Aces are high, twos are low,
And Jokers beat all.
JOKER!

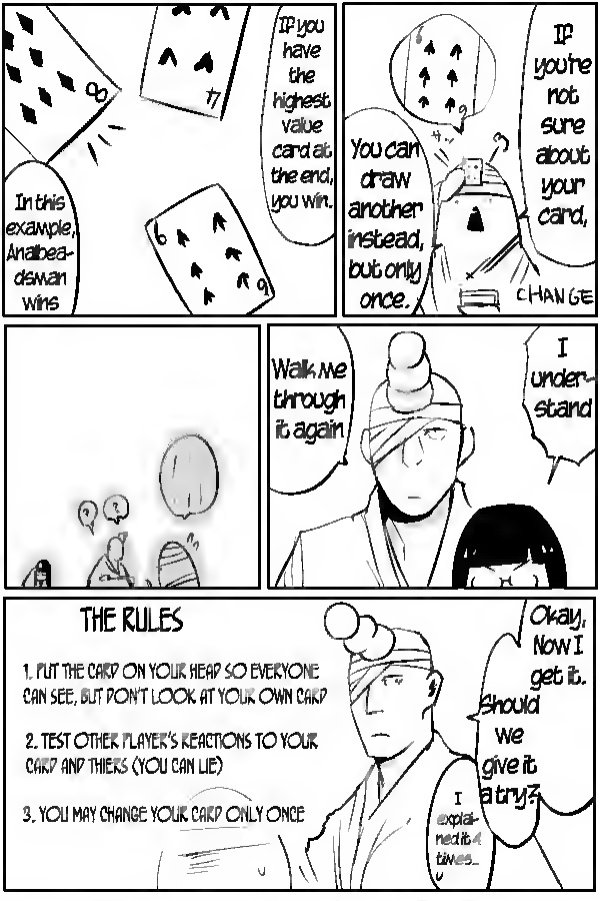
The goal is to get the highest value



In this example, Analbeadsman wins
If you have the highest value card at the end, you win.
You can draw another instead, but only once.
If you're not sure about your card,
CHANGE
Walk me through it again
I understand
THE RULES
1. PUT THE CARD ON YOUR HEAP SO EVERYONE CAN SEE, BUT DON'T LOOK AT YOUR OWN CARD
2. TEST OTHER PLAYER'S REACTIONS TO YOUR CARD AND THIERS (YOU CAN LIE)
3. YOU MAY CHANGE YOUR CARD ONLY ONCE
I explained it 4 times...
Should we give it a try?
Okay, Now I get it.

If I were in Sachika's shoes, I'd wanna change
Quite fearsome of you, to go for the throat so soon..
You won't fool me quite that easily, Mr. Analbeads..

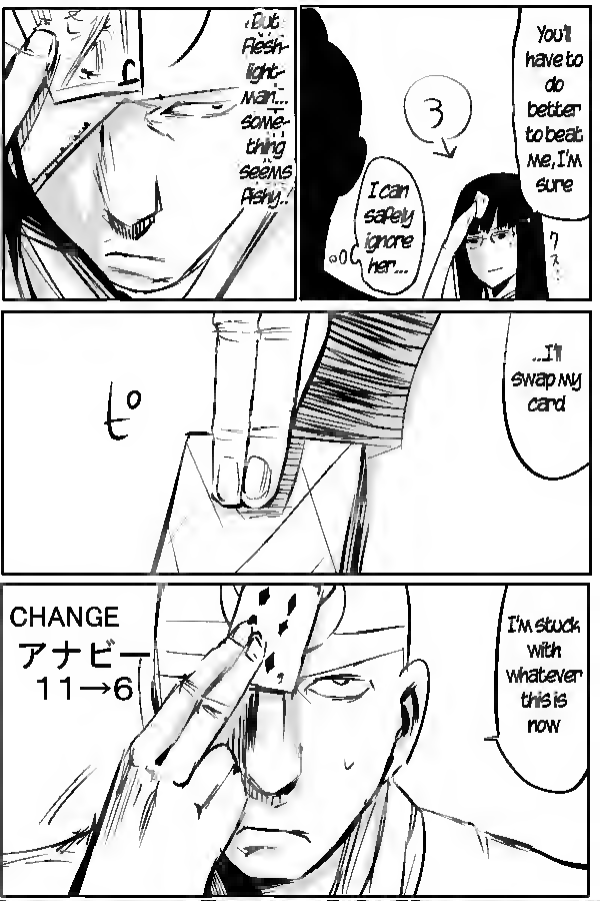
You have a little bit of wiggle room, Analbeads-man,
.....
But are you really sure you'll win?



But Flesh-light-man... something seems fishy..
You'll have to do better to beat me, I'm sure

I can safely ignore her...
...I'll swap my card

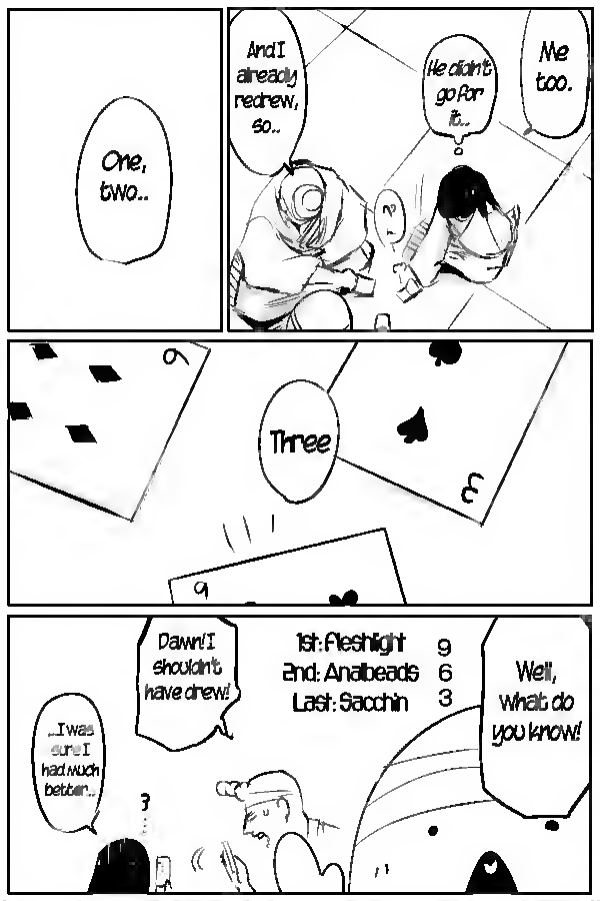
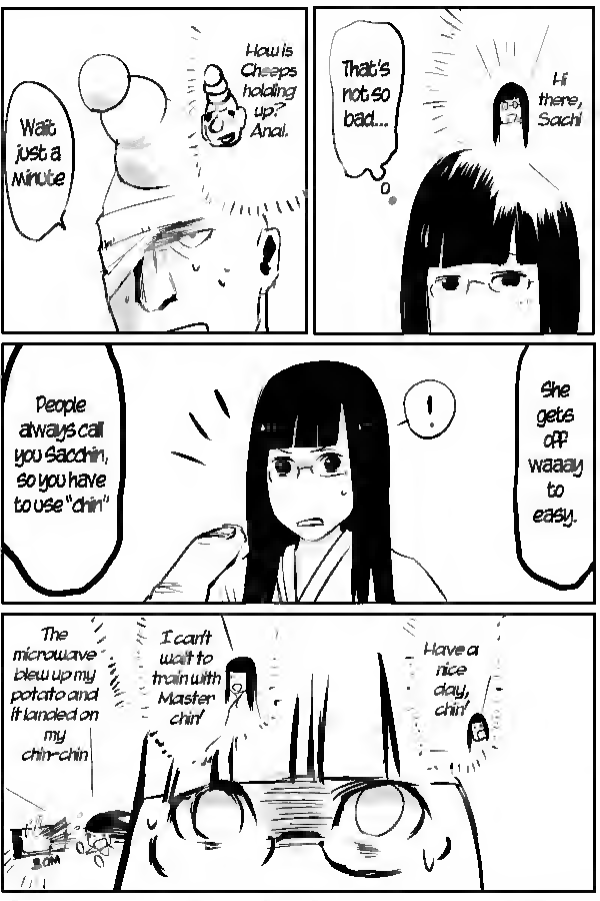
"And she seems to think she'll win, so we'll just let her alone..."
Excellent! That brings his card's value way down!
Hey, Bachika
The only question is if my card can beat a 6
6
Which is higher, my card or Analbeads' card?
6
9

The best way would be...
And if I want to do that,
Which means it's better to convince him to redraw
Mr. Fleshlightman has the better value...
I guess it's Mr. Analbeads ...Maybe...
I'll play it!
Thanks, that helps.
That is unmistakably a lie!!

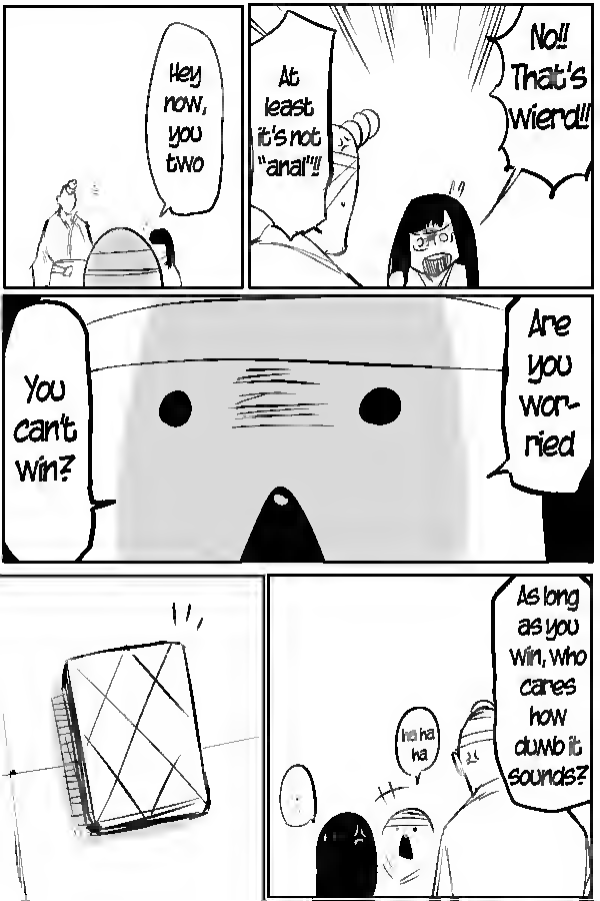


One, two..
And I already redrew, so..
He didn't go for it..
Me too.
Three
Dawn! I shouldn't have drew!
1st: Fleshlight 9
2nd: Analbeads 6
Last: Sacchin 3
Well, what do you know!
...I was sure I had much better..

A bet? Like what?
Now that we know the rules, how about a bet?
Well...
One more try!
Oh, that gives me an idea...
Until they're discharged,
The two losers have to say part of their name when they talk?
Let me see...
.....
I'll be -flesh,
Sachi-a would be -sachi,
And Anal-beads has to say -anal



Wait! just a Minute
How is Cheaps holding up? Anal.
That's not so bad...
Hi there, Sachi
People always call you Sachin, so you have to use "chin"
She gets off waaay to easy.
The microwave blew up my potato and it landed on my chin-chin
I can't wait to train with Master chin!
Have a nice day, chin!



Hey now, you two
At least it's not "anal"!!
No!! That's wierd!!
You can't win?
Are you wor-ried

So.. My card has him nervous

I've got a pretty good chance as long as..
Wait a second..
Flesh-light is pretty bad, too..
No one wants anyone to change their card?
I've got a ten
And think their own card is strong
Totally safe
I beat 3 and 4
Since they all feel safe with their cards..
Two and three..
I'm ok
They see everyone else's
I'm weak..

That must mean mine's no good either!!!

This card's a winner!
Flesh-light's attitude just turned a 180..

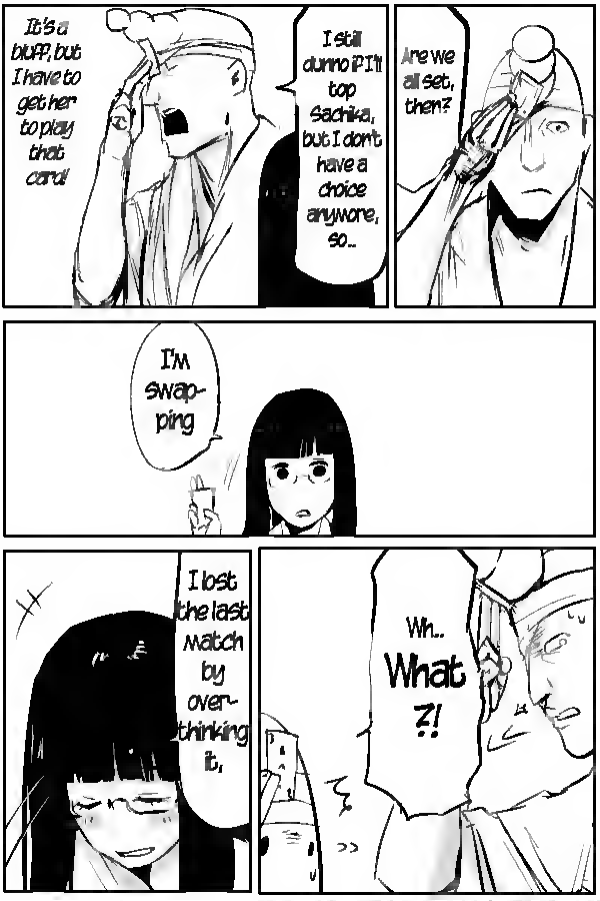
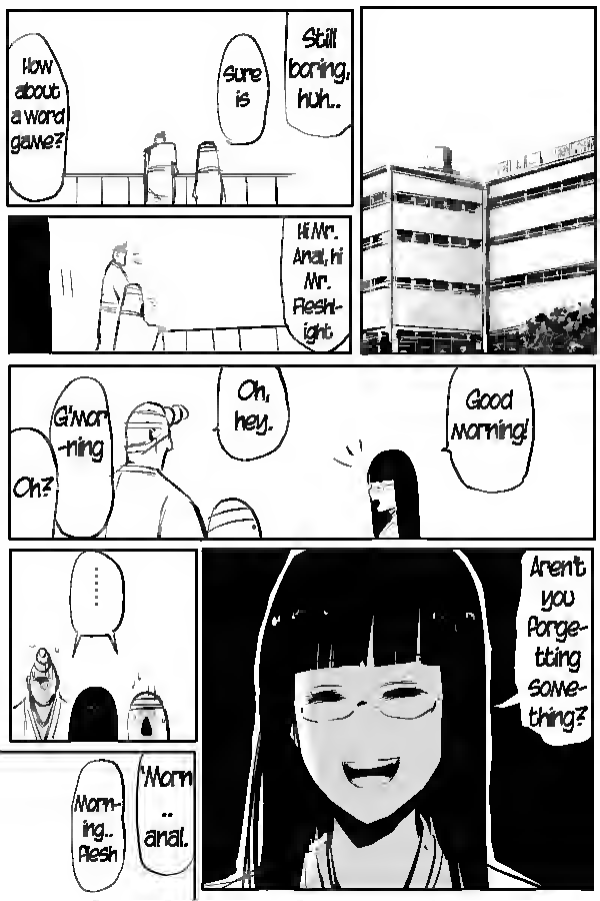
LOL ?!



It's a bluff, but I have to get her to play that card!
I still dunno if I'll top Sachika, but I don't have a choice anymore, so...
Are we all set, then?
I'm swapping
I lost the last match by overthinking it,
Wh...
What?!

SO...

TIME TO TAKE A CHANCE
Sacchin: 2nd Draw Joker



How about a word game?
Sure is
Still boring, huh..
